Vital Parking and Access Pass for AAPT-APS meeting
November 14-15

Dear AAPT-APS meeting attendee,

A printed version of this email will give you access to LBNL (Lawrence Berkeley National Lab) and to parking for the AAPT-APT meeting November 14-15. It is ESSENTIAL that you print this and bring it with you. Whether you park, use the LBNL shuttle, or take a meeting bus, you need a copy of this email as your pass. PLEASE read this message.

Please also print the LBNL and UC Berkeley maps (in PDF format) found at <http://pdg.lbl.gov/aapt-aps/> . The Program of Contributed Talks can also be found there.

On Friday, Nov. 14, you have been assigned a parking space in the MLK Student Union underground garage on Bancroft Way just west of Telegraph Avenue, see the maps. Buses will take you up to LBNL Bldg. 54, the cafeteria, at 9:00am, or you may use the LBNL shuttle bus (you need this email to get on). Both will use the stop on Bancroft Way at Telegraph. Please allow for rush hour traffic. On Friday, registration is in LBNL Bldg. 54, the cafeteria, starting at 9:00am.

Before the campus reception at 6:30pm and the 7:30-8:30pm featured speaker, buses will run between the cafeteria and Pimentel Hall on campus. Afterwards a bus will take you back to the MLK lot.

On Saturday, Nov. 15, parking will be in the LBNL Bldg. 54 (Cafeteria) parking lot, also called the K1 lot and in all nearby lots. If you register on Friday, please bring your badge for entry to LBNL parking on Saturday.

Buses will take people to campus on Saturday. On Saturday, registration is at Pimentel Hall on the UC Berkeley campus, starting at 8:00am. The football game on campus will fill all parking in Berkeley, so everyone must park at LBNL. Please allow for very heavy traffic near LBNL.

On Friday you may take the LBNL shuttle bus every ten minutes until evening on Center Street just west of Shattuck Avenue, across Center Street from the Berkeley BART station. Another stop is on Bancroft Way at Telegraph. You need this email to get on. There is no shuttle after 6:30pm and no shuttle on Saturday. The Saturday meetings are a 15-20 minute walk from the Shattuck Hotel.

There will also be a bus from the Shattuck Hotel, but only at 9 am Friday and 8 am Saturday. The bus will return at the end of the program both days.

Meeting Summary: The joint meeting of APS-CA and AAPT-NCN will be attended by 88 APS members and 113 AAPT members. In addition to three featured talks, there are 64 contributed talks in two parallel sessions on Friday and six parallel sessions on Saturday. All contributed talks are 20 minutes (including questions). There are ten workshops on Friday, with 237 people attending (some people will attend two workshops). 125 people signed up for the tour of LBNL, which will be divided into three groups. We are providing parking for 100 cars on Friday (in three quite distinct locations with busing to and from all locations) and for 131 cars on Saturday.
