

## London Frontier Ideas Exchange

Main workshop days: March 18th -19th, 2004

Movable Feast of informal discussions 15-21st

An opportunity to examine, explore and exchange Frontier Science Ideas, covering new cosmology and recent insights into fundamental quantum physics and space-time models, consciousness and mind/matter research with insights from bio-physics and psychology, and new mathematical/algebra/logical and complexity ideas.

The **Main workshop** day is on **Thursday 18th March**, followed with informal discussions on the Friday 19th, with the meeting running with a few short presentations at the start followed by Bohemian dialogue and flexible discussion to enable exchanging of ideas. The approx 12+ expert attendees\* cover a diverse range of science and backgrounds with different perspectives formed at various points over the last 30 years of Frontier physics, consciousness and mathematical work, so should provide an excellent opportunity for review and continuity of important emerging ideas.

The *Thursday 18th workshop* will run from **10.00am to 5.30pm** and will take place in the **Study** of the **Electric House Club**, which is located at 191 Portobello Road, Notting Hill, London W11 2ED—Map & Details—<http://www.electrichouse.com/findus.php>

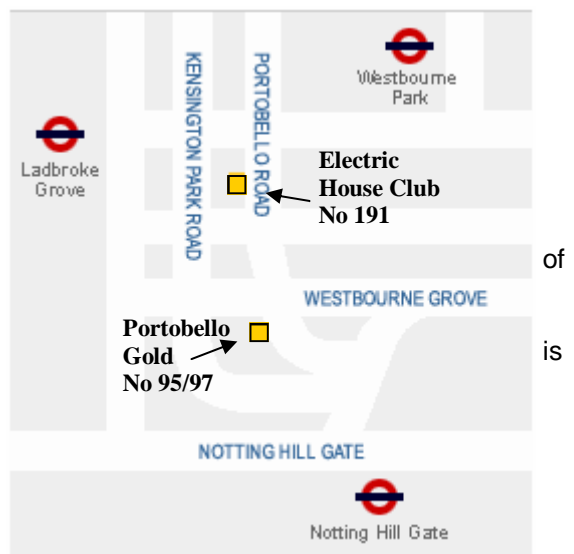

followed by local private dinners at 7/7.30pm

The *Friday 19th workshop* will take place in the conservatory the Portobello Gold bar/café/restaurant which is located two hundred yards away on the same road at 95/97 Portobello road (<http://www.portobellogold.com/barrestaurant.html>) which a good local bar/restaurant with web access and a suitable *meeting point* for quiet discussions during the week.

The rest of the week from 15-21st will run as a “**Movable Feast**” of informal meetings of scholars and scientists from “The Two Cultures” at local coffee bars, private clubs, hotel lobbies, Indian restaurants, between participants as well as a series of private dinners.

An informal lunch and discussions are proposed for Monday 15th at 12.00am at the Home House Club, 20 Portman Square, London, for participants in town that day (such as Jack Sarfatti, Mark Davidson, Kathryn Neeley, Simon Daniel) which is 10minutes away from where Jack is staying on Gower Street, <http://www.garthhotel-london.com>. A private dinner on Tuesday 16th on Consciousness/Paranormal research is also proposed.

\*NB: Workshop attendees on Thursday 18th are currently assumed to include Jack Sarfatti, Basil Hiley, Brian Josephson, Kevin Kingsland, Simon Daniel, Mark Davidson, Peter Rowlands, Iain Peterson, Montigue Mendick, Grant Stapleton with 2-5 others TBC, covering Physics, Maths, Consciousness, Logic domains.

The London Frontier Ideas Exchange Workshop is organized by Simon Daniel (Moixa Research) and Jack Sarfatti (ISEP).
